Question: Why Available at Such Low Prices?

Answer:

I. The items mainly consist of designs newly discontinued, due to the manufacturers' sample book updates.

II. Updates take place every 2-3 years, and as many as 30-55% of all designs become discontinued.

III. Selling discontinued models inside Japan would affect sales of new designs and also damage the brand.

IV. **NEWLY DISCONTINUED DESIGNS MUST BE SOLD OVERSEAS.** *They are not leftover, unpopular designs.

V. [1] Good Design [2] High Quality [3] Mold Resistant [4] Peel Resistant Japanese items become available at very low prices. Limited offer.
